St. John's High School 2009-2010 Booklist

NEW TEXT means that the text is new to SJ this year and was not used in prior years. It does not mean that you have to buy it new. Also, we buy some texts used from book companies. For example, the Prentice Hall Literature Gold book for \$46 is the price for the book used, however the Holt Handbook for \$47 is the price of a new book. We do this in attempt to find the best price for the book, new or used.
